Highly recommended!

I contacted this guy prior to travel from the UK via email to arrange a full day tour of several places we chose to visit. Communication was great, responded quickly and very acommodating. Excellent rates and you get to do exactly what you want without waiting about or being rushed by the crowds like on an organised excursion. Always felt 100% safe on the island and this guy is very friendly and informative. He can arrange transport based on numbers in your group, we had 5 of us so he got a 7 seater for us so just let him know before and he will make all

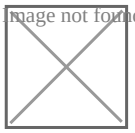

arrangements necessary and plan your route based on what you want to see. If you book him honestly you won't regret it!

Fantastic!
