Ideal

18 Feb 2017

We were very well received on this rather small boat, 5 cabins and a suite upstairs. Luckily we benefited from the suite, very large cabin and bathroom all wood (30 m2) great comfort !! On the other hand we did not see the size of the cabins, but bcp smaller. The boat is extremely well maintained The food is excellent, as well as the service. The entire crew is at your service. The previous comment is not inviting but I think it's by accident. In short we are delighted with this stay on the Valentine Cruise and we highly recommend it.
