Amazing more than we could have wished for

Staff is incredible! Specially Thu Thuy from reservations. She helped us in different ocations so that make our holidays 100% chill.

Wow, just WOW

10 Dec 2018

We did the 2 day, 1 night cruise, and can't recommend this highly enough, so all the other wonderful and positive comments you have read are exactly what we experienced too. From the welcome aboard, the amazing room, the friendly staff, the seemingly never-ending food to die for, and of course the rather lovely back drop of Ha Long Bay, this was an experience that will stay with us for life. An excursion to canoe around a bit, a walk to a cave (a torch might be helpful inside, it was a bit dark) and a visit to a floating village were also part of the package. But mostly it's just about Ha Long Bay, and cruising around in luxury. Do it, you will be so thrilled you did.

Friendly staff and clean ship?

03 Feb 2017

Teto of Vietnam is the Chinese New Year, and on this cruise it was with Chinese groups, French groups, Germans, Filipino and others. The staff was able to get a fun moment by exciting not only the English language but also the language of each country using the words of each country with excitement. The cabin is kept clean and hot water can be used firmly with a shower nozzle of a type that can hold the shower with hands. I used it with 3 people in the room with balcony on the second floor, but it was wide enough and there was not inconvenience. I am anchoring the ship during meal time and during the night at night so I did not care about the sound and shaking of the engine at all.

More than ground time on board

29 May 2015

To be honest, my expectations were betrayed in a good way. It was free if a little child co-slept, so I used it. Of course, I thought that it would be unavoidable to sleep with four people on a double bed or four meals, but when I entered the room I thought that it would be useless to think about expenses, but when I entered the room I got a double + single and 4 meals Minutes were offered (even for the second son just two years old!). It corresponded to everything with a smile, the range of the drink inside the ship was acceptable, and the correspondence of the staff was also the best from the transfer bus. Communication in English is essential. I also wanted to use it, and it was a tour that I recommend with surprise with confidence.
