## 5 Reviews

**Very very good !**

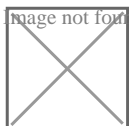

07 Dec 2018

Super friendly host, route in Halong Bay away from tourists, hearty meals, varied and tasty. In addition, I noted at the time of booking that my daughters were vegan, they were served dishes as varied taking into account their tastes. Staff caring. Boat with human dimensions, we were not more than 25 people. In short, I strongly advise.

### Pleasant stay in a natural wonder

19 Oct 2018

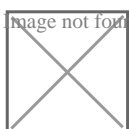

One of the best ways to explore this natural wonder of the world. It is remarkable the good service offered by the best staff, especially our friend and guide David, which has not made the stay much more enjoyable and fun. Totally recommended for all public! We will return for sure!

### Halong Bay with Swan Cruises

19 Sep 2018

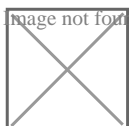

We have just finished the route through Halong Bay with Swan Cruises, a unique experience with incredible landscapes and excellent activities and service. Mention that the cabins were very clean, the food during the whole trip has not disappointed and that we have had the best guide that I have found in an activity of this style, always attentive and trying to make everything go perfect (and went perfect) .

### Plentiful Experiences

30 Aug 2018

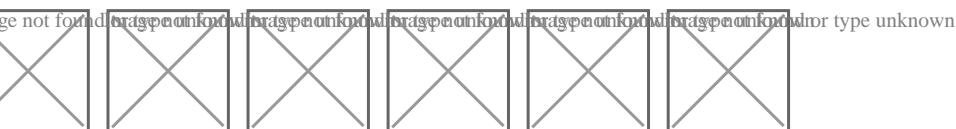

We had a great experience in Bai ti long Bay, the team was very professional and welcoming. We recommend the experience !

### Supportive staffs and wonderful experience

09 Aug 2018

We have just returned from a 3 day 2 night cruise. It was amazing from start to finish. The guides were top quality. They were always at hand to

deal with any queries or requirements. The boat was luxurious. The food plentiful and delicious. It is well worth doing the 3 day cruise as you get to kayak further into the bay where it is much quieter. The kayaking was particularly impressive. We got engaged whilst on the boat and the crew did all they could to make it perfect, including decorating the cabin with candles, flowers and a nice bottle of wine. The whole experience was unforgettable. It was the highlight of a magical holiday. We would love to come back in the future and use Swan Cruises.
