We really like this cruise journey, the staff were great and the food was great too. We had a problem getting copies of our photos, but the guide at Emperor Cruises watched very quickly and the problem was arranged. Thanks to all the staff for a great day.

I'm not sure this type of travel is really a thing with so many other tourists in Vietnam, but for me, the cruise trip was so great. It was lovely to see all the city lights and boat trips through Vinpearl that were lit at night. I really praised the staff who were very attentive and caring to make sure we enjoyed and were taken care of.

Surprising trip!!!

Surprising trip!!! When we got on the cruise, we were surprised to see how beautiful the cruise was. The staff were very lovely and did a great job at serving. We were disappointed a bit with scuba diving and a private beach. Private beach was very small, and there were so many rubbishes on the sea.

It was a great trip

10 Mar 2019

It was a great trip, we were the only Australians on board with mostly

Russians, but that was interesting. Highlights are the talented musicians, excellent service and sitting on the cocktail deck watching the sunset. Delicious food, it was a little rich for my liking for all cheese and ice cream, but still good.
