Learn all about safety and collect your gear before driving 45mins through the National Park to reach the trailhead.

A steep jungle hill starts the adventure, with a refreshing river at the bottom. Hike through rich jungle to reach the Ban Doong minority village, where a hot cup of tea welcomes you.

Lunch takes place shortly after near the river, and then it's back into the jungle, through river streams, and across the river valley until Hang En lays on the horizon.

Enter the cave around 3 PM, and enjoy your afternoon swimming, before a sizzling BBQ dinner is served, complete with rice wine and beautiful flocks of swifts overhead.

### **One of the most memorable hikes and camps**

24 Apr 2019

One of the most memorable hikes and camps in life. My wife and I were amazed by the patience and enthusiasm of the staff and guides. We knew this would be interesting, but didn't know this cave was large and majestic like that. This was not a walk in the park. This was totally a damn good challenge, we had 2 days trekking and we recognized how brave we are.

### **I have fallen in love with Hang En.**

31 Mar 2019

I have fallen in love with Hang En. I did the 2 days 1 night Hang En tour and it is a large and beautiful cave. An incredible experience. The trek was fantastic and challenging.

### **2 days and 1 night trip in Hang En cave**

22 Mar 2019

2 days and 1 night trip in Hang En cave was so wonderful. I think this is

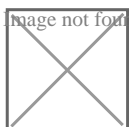

the best trekking trip I ever had in my life. The tour was well organized, and all in safe. The views were so breathtaking, and the food was very nice too. But remember that you must stay with the guides and group all the time.

**Wow, what a meaningful trip!**

01 Mar 2019

Wow, what a meaningful trip! If you are wondering where you should book this tour or not, you absolutely should. I had a wonderful, adventurous and beautiful way to experience Vietnam in Hang En. Our trip leader was so nice, and he confidently led us through muddy trails and chilly cave waters to see some amazing sights.

**Wonderful view**

06 Feb 2019

The trip is worth penny! My husband and I went on the 3 day exploring Hang En, Quang Binh. It was a trip of a lifetime! We had the opportunity to experience an area of Vietnam that has barely been touched by tourism. Our team were so great, every aspect of the trip was well organized. The scenery was beautiful, the staff was friendly and professional, and the food was amazing.
