Excellent English speaking guide. Hotel room are arranged and clean. Traveling under the heat of the tropical sun, we quickly felt tired and thirsty, luckily our guide was so thoughtful. Water is provided promptly.

Beautiful views

This is the second tour after Danang tour of ours. Infrastructure of Phong Nha is not good as in Danang, but in contrast, the landscape are more amazing and majestic. The activities are fun and the tourist area is separated from the residential area. Very peaceful!!!

Absolutely wonderful trip! Firstly I would like to say that Vietnamese people are so nice and cute. We met local people throwing the nets on the river and they smiled and waved hands back to us. Highly recommend this tour for everyone! Great services!

No words can describe how amazing Thien Duong cave was, the most beautiful cave in the world for me!!! I love the atmosphere inside the cave and the colorful light system there. It highlighted the beauty of the stalactites.

Impressive trip!

Very impressed trip!! The landscape was nearly unspoiled and wild. The cave was so large and beautiful. The weather also supported us. We had a great time kayaking on the green river and sliding on the zipline.
