The best trip

Such a worth-visit trip! I cannot describe my feeling about this tour now but it was so fun for me. My guide was a local man, he spoke English so well, he kept joking us on bus to break the ice.

Brilliant trip

A few time to visit Vietnam but this was the first time to travel to Quang Binh. Set a tour to Thien Duong cave via an advice of a friend I met in Hue was so right. The cave was so wonderful, the weather also supported us. Not too tired to explore the cave.

Addict with the cave

13 Mar 2019

Like its name, it was such a paradise of stalactites for me. My guide told me that people named it as Thien Duong cave because they thought they lost into the heaven when discovering it. The most beautiful cave I had seen in life. Highly recommend!

I had a great time in Thien Duong cave. Spending a whole day in this cave was not enough for me! The cave was so large and cool. The light system brightened the hidden beauty of stalactites and stone pillars. For me, it was one of the most beautiful caves in the world. Worth a visit!
