Excellent

Excellent and very interesting excursion! I really enjoyed it. Keep your expectations in check if you've been to Angkor Wat. It's definitely not on that scale, but still worth seeing in my estimation.

Historical tour

22 Jan 2018

This tour was okay. It would be better if more information about the background and history of the ruins was available at the site. The dance show is interesting and entertaining. The guide was friendly enough. Frankly, the kids were a little bored most of the day.

Awesome trip

Awesome trip, with a small and intimate group of 5 adults and 2 children. Our guide was chilled yet informative, and always made sure we got the best vantage points, photos and stayed away from the cruise ship crowds! 100 recommend - thank you!

Great tour, great guide

13 Sep 2017

The trip was real fun. The guide spoke good English, he held high energy and was very humorous. Also, during our visit at the site, he explained to us a lot of things about the history of My Son temples. The temples are located in a very beautiful scenery filled with green. It is a highly recommended trip, even though I'd recommend it more if it wasn't as pricey. I think for the kind of the things you see, cost around 30 might have been more reasonable. But other than that there wasn't anything else not to love about!
