Did a private tour here, and my girlfriend loved the village. The atmosphere here was excellent, really clean and full of local culture. Furthermore, the locals here were really friendly and helpful, we did a few hours tried to weave the local clothes here and had a total mess :)

Had an excellent trip with our guide exploring the pass and village. The guide was knowledgeable and friendly and a key part in the experience. The one day trip is well worth a go! The people in the village don't try to sell you everything under the sun either!

A tourist guide took us for a bicycle tour in the surrounding area. we rode through paddy fields. we witnessed the amount of hard work of these farmers as it was harvesting season. however, they looked happy and healthy.
