A perfect orginzed tour and it worked clockwise with pickup and the schedule during the day. Great guide and interesting subject for the tour. Must be much better than sitting on bus for a couple of hours when this option with a river boat tour is much more convinient.

Speedy visit to Mekong Delta

12 Oct 2018

Visiting the Mekong Delta by high speed boat is a must - getting there is really interesting as you pass by lots of different suburbs of Saigon (some of the poorer areas are an eye opener). The small group was great and we were looked after really well by our two hosts (who both spoke good English). The snacks, drinks and lunch was all excellent and the stops we made were informative and friendly - well worth the money

**Excellent tour**

07 Oct 2018

Our tour guide arrived to our hotel on time. He was very knowledgeable about the people, culture & area in general. He also had a great sense of humor. We were well fed & had plenty of cold water, sodas & ice tea to drink. They even provided rain ponchos for us when it started to rain. The whole experience was wonderful & the attention to detail was much appreciated. We would highly recommend this boat tour experience.
