Phong Nha is so thrilling!

Marvelous sceneries! The boat ride is amazing, and more amazing is the trekking tour in the cave. Inside the cave is totally a different world, the atmosphere is so comfortable compared to the heat outside. Our tour guide is a young man but he is very enthusiastic. He sang for us a song as a goodbye before finishing the trip

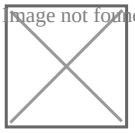

I miss Phong Nha!

Fantastic tour! The way from Hue to Ke Bang park is so beautiful, we traveled through a part with two sides are the white sand dunes, it looks like driving in the middle desert. Then, boat tour to the cave is no less amazing. The river is green with mountains and forests in 2 banks, local people are fishing in the river. Must visit!

Beautiful

We went there after a day tour in Hue and it didn't make us disappointed. I really love Phong Nha cave, it is a large cave with many pillars and beautiful stalactites. We came to Phong Nha cave at noon, so it was a bit crowded. it will be better to go earlier to avoid the crowd.

Amazing boat tour!

It took 3 hours and 30 minutes to get Phong Nha-Ke Bang from Hue. Along the way, the bus stopped first in Vinh Moc tunnel, it is a war relic,

and the guide told us the touching history stories about the Vietnamese people in the past. The main destination is Phong Nha caves, the caves are so amazing , mostly we moved by boat on the green river before trekking in caves. Worth visiting destination!
