Cycling and walking in great atmosphere!

28 Dec 2018

Many new friends around cycling around the village area, great landcape surronding, people working. Enjoying, laughing, discussing... Having good meals. The night in a bungalow, after swimming in the pool and having delicious dinner, discussing late... A bit chilly in during night time, but good beds and warm plankets. Peaceful day walking with beatiful nature! Local people at their homes and fields - so friendly everyone.
